

Kentucky High School Media Institute Summer Workshop 2019

Photojournalism Workshop

Spend four days of hands-on training with faculty from the nationally-recognized photojournalism program at WKU in the Photojournalism Workshop. Learn how to make great storytelling pictures for your high school paper, yearbook or electronic publications. Workshoppers will need to bring their own DSLR camera and 4 GB memory card.

Film Workshop

In the four-day Film Workshop, participants will work in teams to produce their own original short films. By scripting, casting, directing, shooting, editing, and - ultimately - screening their projects, students will experience every facet of the independent cinema process. The workshop will be taught by faculty from WKU's School of Journalism & Broadcasting.

Accommodations

The workshop is held on the campus of Western Kentucky University in Bowling Green, Kentucky.

The $485 registration fee include all meals, instructional materials and housing.

Workshoppers will be housed in a secured university residence hall monitored by our own counselors. Students will check in mid-afternoon on Sunday and check out mid-afternoon on Thursday. A detailed schedule will be sent to participants closer to the start of the workshop. All students are required to stay in their assigned residence hall.

General Information | WKU Exposure: Film & Media Workshops

Arrival on Saturday, June 3

Plan to arrive at the Student Publications Center between 3 p.m. and 5 p.m. (Central Daylight Time). The address of the building is 1660 Normal St., Bowling Green, KY, 42101. You may park in the Mimosa parking lot next to the Student Publications Center without a parking permit on weekends. When you arrive, come to the registration table in Student Publications. We will not be ready to check students in before 3 p.m.

Departure on Saturday, June 10

Please plan to attend the closing ceremony and showcase of students' workshop projects beginning at 9 a.m. (Central Daylight Time) in the Jody Richards Hall (JRH) auditorium, across the street from the Student Publications Center. A light breakfast will be served at 8 a.m. All attendees should be ready to depart by 11:00 a.m. (CDT). We cannot accommodate later departures. The room and bathroom must be clean, and students must checkout with their counselor and return the room key before departing. Parking will be available in the Mimosa or Minton lots.

Housing

Campers will stay two to a room in Southwest Halls. Each room has a private bathroom The building is air-conditioned. Each camper will be issued a room key for which they are responsible. If a key is lost, there is a replacement charge of $25 or more, as determined by WKU Housing and Residence Life, which cannot be refunded even if the original key is found later as locks are reprogrammed immediately.

Roommate Matching

Students are matched, as much as possible, with someone in the same grade but from a different hometown. Two students who wish to room together may do so if each requests to room with the other by June 1. Many students prefer to meet someone new.

Meals

Students will eat breakfast, lunch and dinner together as a group at locations determined by individual workshop class needs or at the Fresh Food Company, where there are many choices: fruits, salads, vegetables, sandwiches, meats, desserts and beverages, including vegetarian and gluten-free options. Students are welcome to bring snacks to store in their room or to have with them during the day. In consideration of students with allergies, please do not bring any snacks that contain nuts.

Spending Money

Everything needed in a regular day is provided for in the registration fee. Campers may want to bring a small amount of spending money for incidental items, no more than $10 per day. Please do not bring large amounts of money.

Technology

Each student may bring one cell phone, which will only be used to communicate with parents. Students may keep their cell phones with them however, they must be powered off during class times. No other devices which connect to the Internet or make calls are allowed. The workshops are extremely busy and students must be "present" to ensure they get the greatest benefit of all activities. Students who refuse to participate may be sent home without a refund due to a lack of participation. With the small class sizes, all students will need to participate to complete their projects on time.

Emergency Phoning

The School of Media main office can be reached from 7:30 a.m. to 4:30 p.m. at 270-745-4134, and if necessary a staff member will arrange for your child to phone you. If your call is not answered, please leave a message, and workshop staff will respond as quickly as possible. After hours you may also call the student on their cell phone. Please leave your own phone on at night so we can contact you in the rare event that it might be necessary.

Name Tags

Name tags are to be worn at all times. If the name tag needs to be replaced, there will be a $2.00 fee.

Medications

If medication or injections will be needed, bring the medication and written instructions from your physician. The staff of the School of Media will not be responsible for and will not provide any medications. Allergy shots will be administered by the staff of Med Center Health at WKU on weekdays.

Vehicles

Students who drive themselves to the workshop will be directed to a lot where their vehicle can be kept during the week. Upon check-in, they will turn their car keys in to the workshop staff. Students will not be permitted to drive any vehicle during the workshop, nor are they to travel off campus by any other means without workshop staff.

Travel

If a student is flying unaccompanied and must be picked up flights should be made to arrive in Nashville no later than 12:30 p.m. June 3 and leave from Nashville no earlier than 2 p.m. June 10.There will be a charge of $75 roundtrip for the airport shuttle.

Tips for Parents

If you talk on the phone, a positive and encouraging tone is important. Homesickness and roommate adjustment issues are not unusual, especially during the first few days. If your child expresses such concerns, please contact the office so that together we can help your child have a positive and successful experience. Please do not send mail. All mail comes through the university system which can delay it, especially during the summer, so it is unlikely to arrive in time.

Tips for Students

Write your name on your notebook, water bottle, backpack and other personal items you will carry with you throughout the workshop. Keep our office number (270-745-4143) with you in case you become separated from your group.

Dress Code | WKU Exposure: Film & Media Workshops

WKU Exposure encourages students to wear clothes that motivate them to be confident and successful.

The following items are not allowed by the dress code:

- Oversized or low-riding pants
- Muscle shirts
- Pajamas (for class, meals, or activities)
- Ripped, torn, or see-through clothing
- Tops that expose the midriff, any part of the bust (cleavage) or excessive parts of the back, or are excessively tight or distracting
- Attire that detracts from learning

The following points are important to remember about clothing for camp:

- Long tops (tunics), skirts, or shorts must cover leggings as leggings or tights do not replace pants.
- Form-fitting exercise clothing is only appropriate when working out.
- Shorts, dresses, and skirts must provide full coverage at all times, including when bending or moving.
- All lettering, slogans, and artwork on clothing must be in good taste.
- Shirts and pants must meet while sitting, standing, bending, and reaching in the air.
- Athletic shoes or comfortable walking shoes are important. (We are known as the Hilltoppers!)
- Flip Flops are not allowed during the workshops.

If clothing does not meet the dress code, workshop staff will have students return to their residence hall room to change their clothes.
